# ABOUT COMPANY

Fruitful Pine Employment and Training Services (FPT) is a licensed Jordanian outsourcing firm specializing in providing skilled personnel and workforce contracting solutions across national and regional markets. Over the past four years, FPT has served leading industrial and corporate entities, delivering end-to-end manpower supply with high adaptability, technical competence, and operational compliance.

We bridge workforce needs with reliable, qualified professionals — enabling seamless operations for clients across engineering, industrial plants, management roles, administrative support, and development sectors.

**PEOPLE YOU NEED. SKILLS YOU TRUST. TIME YOU SAVE**

# FPT STORY

## 2018 – The Beginning

AGN Engineering & Contracting is founded in Amman, Jordan, providing high-quality engineering and industrial services

## 2021 – Establishing FPT

To respond to this demand, AGN launched Fruitful Pine Employment & Training Services (FPT) as a specialized workforce outsourcing and recruitment company.

## 2018–2021 – Growing Market Needs

As AGN's operations expanded, clients increasingly requested: Skilled engineers, Industrial field staff, Project-based teams, Flexible short-term and long-term personnel.

## 2022 – Expanding Services Globally

FPT begins offering remote staffing solutions and cross-border recruitment to meet international project needs.

## Today – A Trusted Staffing Partner

FPT now delivers: Flexible and tailored workforce solutions, qualified technical, operational, and programmatic staff, Support to private sector clients, contractors, NGOs, and donors

# AREAS OF EXPERTISE

WHY CHOOSE FPT — OUR COMPETITIVE ADVANTAGE

FPT IS NOT SIMPLY A WORKFORCE SUPPLIER — WE ARE A VALUE-DRIVEN PARTNER WITH A UNIQUE CAPABILITY MIX:

Value Strength	What Makes FPT Different
Multi-disciplinary staff pool	Access to engineers, technicians, administrative, and NGO-experienced talent under one recruitment channel.
Flexibility & responsiveness	Quick deployment and tailored staffing solutions to match the client's operational policies.
Industrial experience	Proven track record with power, energy, and industrial project partners.
Humanitarian capability	Ability to mobilize experts rapidly for development or emergency operations.

Connecting Talent to Industry.  
Supplying Skills. Empowering Performance.

Reliable Manpower. Skilled Workforce. On-Demand Staffing Solutions.

WE DON'T ONLY PROVIDE STAFF — WE PROVIDE THE RIGHT PEOPLE,  
FOR THE RIGHT FUNCTION, AT THE RIGHT TIME.
